

HUNTING PACKS AND GEAR

BLACKHAWK!® BLACKTIMBER™

Big capacity meets big hydration. The BlackTimber™ was designed for extreme performance with the serious hunter in mind. Featuring oversized, easy-to-use compartments with 2,557 cubic inches of cargo space and 100 oz. of easily accessible liquid, it's ready for days of action in the back country. Comes complete with BLACKHAWK!'s S.T.R.I.K.E.® system sewn in for modular attachments, a SpaceNet molded back panel that wicks away sweat, and a reinforced waist belt with additional attachment points. Extremely deep Shov-It™ pocket is designed to carry bulky items, including dressed meat and antlers.

- Includes 100oz. BLACKHAWK!® Hydration System
- HawkTex™ padded shoulder straps keep sling in place
- Bungee retention system allows for the storing of extra clothes
- Poly-frame sheet with aluminum reinforcement
- Removeable robust waist belt evenly distributes weight
- Emergency whistle attached to front harness strap
- External shooting sticks/tripod storage on both sides of pack
- Deep expandable center section with pull-out orange panel for safety (orange panel not included on ARPAT pack)
- Drink system protected by Microban® antimicrobial technology
- 360-degree bite valve and patent pending quick disconnect system

HUNTING PACK ACCESSORY POUCHES ATTACHED WITH S.T.R.I.K.E. SPEED CLIPS.™

BLACKHAWK!® BLACKGORGE™ CONVERTIBLE PACK SYSTEM (EXPANDABLE)

The most revolutionary hunting pack on the market today, the BLACKHAWK!® BlackGorge™ Expandable Pack allows you to hunt, hydrate, and then bring it all home. Designed with the hard-core hunter in mind, this pack goes from a collapsed capacity of 1,470 cubic inches to an amazing 3,515 cubic inches of storage space using dual separating zippers, yet is compact enough not to interfere with the ventilation of clothing and your rifle/bow. It features BLACKHAWK!'s S.T.R.I.K.E.® system sewn in for modular attachments and a foam-molded back panel for improved ventilation. Nothing matches this pack's combination of capacity, customization or comfort.

- Includes 100oz. BLACKHAWK!® Hydration System
- HawkTex™ padded shoulder straps keep sling in place
- Bungee retention system allows for the storing of extra clothes
- Poly-frame sheet with aluminum reinforcement
- Removable robust waist belt evenly distributes weight
- Emergency whistle attached to front harness strap
- External shooting sticks/tripod storage on both sides of pack
- Two main compartments with organizers
- Expandable center section with pull-out orange panel
- Drink system protected by Microban®
- 360-degree bite valve and patent pending quick disconnect system

Hydration Capacity: 100 oz./ 3 liters
 Pack Dimensions: 22"H x 10.25"W x 7.5"D
 Pack Dimensions (Expanded): 22"H x 10.25"W x 15.25"D
 Pack Total Cubes: 1,470" Pack Total Cubes (Expanded): 3,515"
