We cannot ship to P.O. Boxes. We only ship to street addresses.

Alaska and Hawaii, please add \$6 per shipment. Puerto Rico, Virgin Islands, and all others, please call 1.800.523.4448 for shipping rates.

### Need to return or exchange your shoes? No problem!

You can exchange your shoes or return them, within 60 days of the original purchase date, for FREE! That's right, FREE! Simply use the pre-paid UPS label provided in your order. For returns, we will gladly refund the shoe purchase price less a \$6.95 per pair purchasing fee.

### Doesn't fit? Didn't like it? No problem!

With our 60-Day Wear & Compare Guarantee you can return or exchange your shoes—even if you've worn them—any time within the first 60 days after the original purchase. We even pay the return shipping cost. See our website for full details.

### Need your replacement shoes in a hurry? No problem!

Use our Fast Lane Exchange® option. Have your UPS tracking information (from your pre-paid return label) available and call or go online to sign up. Once we confirm your return is in transit, we will ship your replacement pair. See our website for full details.

With several payment options available, we make it easy for you to have all your employees wearing the industry's #1 rated slip-resistant footwear. Your company orders SHOES FOR CREWS® slip-resistant footwear for the employees and SHOES FOR CREWS sends an itemized invoice to your company. The company then simply pays the invoice in full and handles its own collection of employee funds for the unsubsidized portion or the whole amount.

OUR EXCLUSIVE BRANDS:

### ICON KEY DEFINITIONS:

**ELECTROSTATIC DISSIPATING (ESD) RATED**  
footwear meets ASTM standards. The upper helps conduct electrical charges from your body to the ground; the footbed, insole and outsole dissipate static electricity.

**ELECTRICAL HAZARD PROTECTION (EH) RATED**  
footwear meets ASTM standards by providing Electrical Shock Resistance protection for the entire work boot. The insulating properties are measured under dry conditions and may deteriorate with wear and in wet environments.

**SAFETY TOE**  
(Non-metallic, composite, steel toe)  
footwear meet ASTM F-2413-11 standards bearing a class 75 rating.
